Technical excellence. Exceptional care.

Medland Dental Care

YOUR HEALTH AND HAPPINESS
ARE OUR PRIORITY

MEDLAND DENTAL CENTRE

Our reputation as one of Brisbane's best dental centres has been built on over 50 years of excellent dentistry and oral healthcare, as well as exceptional care and service.

While our experienced dentists and hygienists, state of the art equipment and on-site dental laboratory ensure technical excellence, our friendly, respectful staff, complimentary refreshments, hot towels, free oral hygiene packs, private recovery rooms and courtesy car provide what many think is impossible - an enjoyable visit to the dentist!

From your first contact it's obvious Medland is not your average dental practice.

TECHNICAL EXCELLENCE

For a beautiful smile and strong, healthy teeth we provide all your dental needs at our world class facility.

Preventative and general dentistry to maintain oral hygiene, protect against bad breath, gum disease and keep your smile looking beautiful.

Cosmetic dentistry to give you the remarkable smile you have always wanted.

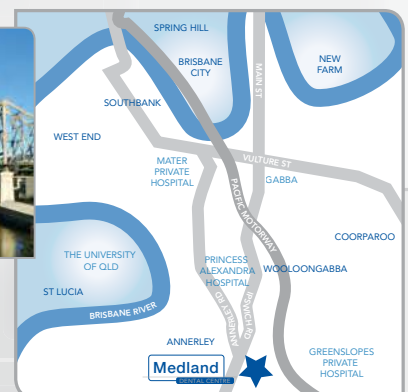

Restorative dentistry for replacing missing teeth, repairing chipped or cracked teeth, and correcting issues with your bite.

Integrated laboratory creating beautiful ceramic crowns using the latest CAD/CAM technology, ensuring fast turnaround and comfortable finishes every time.

EXPERIENCE THE EXECUTIVE DIFFERENCE

Visit Brisbane's custom executive dental service. Conveniently located just minutes south of Brisbane's CBD, why not arrange a dental assessment and complimentary centre tour.

Interstate, rural, and mining based patients should contact our staff for help with travel and accommodation recommendations.
